College Health Ltd visit – Tuesday 23rd April

Dear Parent/Carer

We would like to inform you that we have a visit from College Health to Little Thurrock Primary School on Tuesday 23rd April.

College Health Ltd are a collection of 10 General Practice surgeries located within Thurrock who are not only committed to patient care but also engagement within the community.

In conjunction with our very successful Trust Aspirations Week earlier in the year, we are delighted to announce that College Health will be attending Little Thurrock Primary school on Tuesday 23rd April 2024 to discuss the different positions that are available at this establishment, as well as enabling the pupils to participate in activities: this will give an insight to the type of roles, responsibilities, and resources within a surgery. The staff attending include a GP, ANP, Nurse Lead, HCA and Practice Manager to give a wider variety of staff to educate the children.

We will encourage all students and staff to engage in the activities; however, we understand there may be some allergies that can prevent this. College Health will be using hand soaps, latex gloves, glitter etc. Therefore, if your child is known to have a specific allergy or irritation, we kindly ask you to inform your child's class teacher to avoid any medical emergencies.

Whilst teaching staff of Little Thurrock will be taking photos of the events occurring on this day, College Health would also like to take photos of the activities and promote this on the College Health website and within their Newsletter. As a result, we ask **if you do not consent to your child being filmed or photographed to please let your child's class teacher** know so we are aware on the day.

If you do have any questions regarding this visit, please do not hesitate to contact me.

Yours sincerely,

Miss Dowsett
Assistant Headteacher

Little Thurrock Primary School is a proud partner in the Osborne Co-operative Academy Trust
